GROUP FITNESS TIMETABLE

GROUP FITNESS

BODY ATTACK: A high intensity, easy to follow workout with simple, athletic moves and advanced strength work. Great for your cardiovascular fitness.

BODY COMBAT: You'll punch and kick your way to fitness, burning loads of calories along the way. This high-energy martial-arts inspired workout is totally non-contact and there are no complex moves to master

BODY PUMP: This class works the whole-body using barbells and dumbbells to shape the muscles.

BOXFIT: A boxing and martial arts style class, utilising the freestanding bags and focus mitts to kick, punch and knee your way to fitness.

CORE (Les Mills): a scientific-based core workout using athletic training principles to build strength, stability and endurance.

FREESTYLE CORE: A 30min session focusing on core definition and sports performance by targeting your core, lower back, and glutes.

FUNCTIONAL FRIDAY: A FUN-ctional class combining high-intensity interval and variable intensity training. Each session will be different and aimed to improve overall fitness.

MetaPWR: is a resistance workout combining bodyweight and weighted compound exercises with little to maximum calorie burn and increased metabolic rate during and after workout.

MetaFIT: Metafit is a popular workout that combines bodyweight training (exercise that uses your own weight as resistance) with bursts of high intensity cardio (HIIT).

METCON: A fast, fun, and high intensity functional workout suitable for all fitness levels.

MICROBAND: Focusing on both stability and mobility in order to build your foundation and develop your strength.

PEACH, CORE AND LEGS: Transform your peach, core and legs with our invigorating 30 minute PCL class. A dynamic workout designed to build and tone your lower body and core through a series of squats, RDL's, bridges and resistance band exercises.

POWER HR: Aimed at building knowledge, skill and sturdy foundations through an all-encompassing strength and conditioning program. Suitable for any fitness and skill levels! You'll build strength and improve cardiovascular fitness.

POWER UP: A 30 minute super intense HIIT workout, designed to build muscle, increase power, and burn hundreds of calories.

STRENGTH & CONDITIONING (S&C): A broader approach to strength & conditioning to develop fundamental skills while providing closer insight on technique and workout strategies.

SUPER SATURDAYS: This class is about having fun and working out together! It consists of group and partner workouts programmed to be enjoyable and challenging.

SUPER SUNDAY: A class for everyone and their individual goals. Using strength and cardiovascular movements, you're guaranteed to sweat, improve skills, and expand your knowledge to get stronger.

S.W.E.A.T: Strengthening workout to energise and tone. A class with a variety of formats using key boxing principles and combinations crossed with core and strength-based movements to help you develop your boxing skills and improve cardiovascular fitness.

WELLNESS

BODY BALANCE: This Yoga, tai chi and Pilates workout helps build flexibility and strength, leaving you feeling centred and calm.

PILATES: a workout focused on strengthening core muscles, improving flexibility, and enhancing overall body alignment. Suitable for all fitness levels.

YOGA: Vinyasa Yoga is a fluid movement system that increases flexibility, improves postural awareness and prepares the mind for meditation.

YOGA BACK TO BASICS: A Slower paced Vinyasa that focuses on postural alignment and covers Yoga technique in detail.

YOGALATES: A fusion of Yoga and Pilates. Toning and strengthening all major muscles groups, enhancing your stamina and flexibility, and improving your balance.

HOT WATER YOGA: Immerse yourself in this soothing class, designed to provide a unique blend of relaxation and invigorating exercise.

CYCLE

SPIN: An indoor cycling class providing ultimate fat-burning. It's the perfect workout for those looking to tone and shape your legs, hips and butt while improving cardiovascular fitness.

SPIN & STRENGTH: A hybrid-style class with a combination of spin bike and weight training to build endurance, strength and cardiovascular health. This class uses spin bikes and the weights area.

AQUA FITNESS

AQUA AI CHI: An aqua-based relaxation class that combines Tai Chi, Yoga, and flow to help increase flexibility, balance, and strength.

AQUA FIT: A medium intensity workout combining cardiorespiratory, muscle conditioning and interval training to increase endurance and flexibility while your joints are supported by the water.

AQUA HIIT: A 45min high intensity interval training water class utilising the water for resistance along with equipment. A full-body workout aiming to improve cardio fitness and to burn calories.

BUMS AND TUMS: This class focuses on working your core, inner thighs and glutes using aqua bands and additional aqua-based equipment.

REVITALISE AQUA: A low impact full body workout for all fitness levels utilising water - resistance and aqua equipment.

OVER 50s

50 FIT: Encompasses multiple areas of health, fitness and well-being. With a strong focus on the social and community benefit of exercise, 50 FIT will improve both your mental, spiritual, and physical health.

SFL: Strength for Life is an evidence-based progressive strength training and group exercise program designed specifically for over 50s. SFL Doctor referral required > <https://kwin.city/317yUSR>

PLEASE NOTE: NO ENTRY to classes 5 minutes after they have commenced

Please see your instructor if you are new, have an injury or are on any medication that might affect your workout.
